HOW DO THESE APPOINTMENTS HELP YOU?

DENTAL HEALTH CHECK-UPS PROVIDE:

- A clinical examination to catch developing problems early
- Checks for signs of oral cancer for early detection
- X-rays, where clinically necessary, for an in-depth examination of your oral health and dental implant.

HYGIENE APPOINTMENTS PROVIDE:

- A thorough clean of the teeth and gums to remove hardened plaque
- Oral health advice and techniques to prevent tooth decay and gum disease
- Fresher breath and a brighter smile for improved self-esteem.

We believe this results in the complete package to maintain your oral health. We recommend joining to help reduce the risk of expensive restorative treatment in the future. Our membership ensures you will always have access to a dentist.

Please speak to any member of the team if you would like more information or for details on how to register.
